

MOSSHEALTHSKILLS

Course: Making Every Contact Count (MECC)

Reference Number: 4300

To provide a Range of resources that in-house trainers may use to roll out MECC within your organisation. This can include interactive gaming activities enabling learners practise their skills in a safe environment.

E-learning programmes are customised for you; bearing your organisations branding and local policies.

We are able to use our clinical expertise and e-learning design facility to develop unique clinical and non clinical programmes for your organisations. Why not contact us to discuss your e-learning needs
