

# MOSSHEALTHSKILLS

**Course:** RSPH Level 2 Award in Applied Health Improvement

**Reference Number:** 1400

As a further development to the RSPH t Level 2 Award in Understanding Health Improvement, this programme assists learners to put their knowledge into practice and by compiling a portfolio of evidence demonstrate their ability to satisfy the learning outcomes.

This programme will enable participants to consider the range of portfolio evidence that may be suitable for submission: the authenticity, validity, reliability, substantiality/sufficiency of evidence. The development programme comprises a one day face to face training and on-line support.
